

7th Annual Human Rights Oration, 10 December 2007

"Putting equality back on the agenda" by Dr Anne Summers

Equality for women has been off the political agenda for too long now.

No human rights agenda can be complete without the inclusion of a clear commitment to the equality of women.

Join the Victorian Equal Opportunity & Human Rights Commission as we listen to Anne Summers deliver this year's Oration.

Opening address by the Attorney General, The Hon Rob Hulls MP.

10 December is United Nations Human Rights Day. On this day in 1948, the United Nations General Assembly proclaimed the Universal Declaration of Human Rights.

The Oration is a free event.

However, registrations are required before Monday, 3 December 2007.
